'the importance of special needs education in 2018

June 2nd, 2020 - students needs are changing let s meet them
head on in 2014 2015 the number of students ages 3 21
receiving special education services in the us rose to 6 6
million that s 13 percent of all public school students and
several hundred thousand more students requiring special
services than did in 2012 2013 this doesn t necessarily mean
more students are struggling with diagnoses'
