---

### 'fingers resting on head discussion forums banjo hangout

June 3rd, 2020 - hi anna the question of how many if any picking hand fingers should rest on the head pops up here very often like so many things banjo related there s no definitive correct answer and whatever is most natural and comfortable for you is the best for you

the idea is to try to give some stability to the picking hand and in my experience most players rest at least one finger on the head'
